### political party

However this program was first debated at a political party level by the opposition parties which tabled the motion before the ruling party, in addition Botswana Congress Party has so far stated in its manifesto that its aim is to develop a strategy that emphasizes both economic growth and equitable distribution of income and protection of the vulnerable members of society. It only makes sense, then, that voters have several clearly differentiated options available to them at the polls on Election Day. In , Johnson ran again, receiving over four million votes, or 3.

### political party

Republicans are known for their support of business, conservative positions on social issues, and concern about the size of government; Democrats traditionally have supported labor and minorities and believe that government can solve many of the nation's problems. In the the Republican presidential nominee, , was defeated by Democrat , and the Democrats increased their majority in both houses of Congress. In the primary election, voters cast a ballot to indicate which candidate they desire for the party nominee.

### Role of Political Parties

Southern Democrats became increasingly convinced that national efforts to provide social welfare and encourage racial integration were violating state sovereignty and social norms. The only focus of all political parties has to concern with people's welfare.

### The Importance of Political Parties —

In some cases, youth face more than one kind of discrimination because of their gender or because they can also belong to other marginalized groups i. Machines helped immigrants obtain jobs, learn the laws of the land, gain citizenship, and take part in politics.
