### Sample of Second Grade Curriculum Map

You will not be disappointed. If you are planning to teach about resource evaluations this website is a must read item.

### Map Skills Activities, Worksheets, Printables, and Lesson Plans

A sensitive and moving tribute.

### Grade 1 to 10 Subjects

It also contains a feature called Historical Imagery that allows you to scroll back over previous historical satellite images of an area to see its development or degradation. The bulk of our first week was spent learning about the country itself: geographic features, the flag, working on mapping projects, and also reading The Little Prince.

### Map Skills Activities, Worksheets, Printables, and Lesson Plans

The Valour and the Horror This is both an example of, and information for, a case study of a controversial issue: In 1992, the National Film Board, the CBC and Gala Films produced The Valour and the Horror, the most controversial film series ever made in Canada. A pacing guide may be as general as what skills should be covered in a given semester, but they may be as specific as daily guidelines.

### ERIC

There are sections for educators, kids, and scholars. Here the social studies teacher can keep up with space exploration current events and find lots of resources about space programs. It also has excellent material on historical method, teaching ideas, philosophies of history and other items.

### Curriculum Mapping

This is an excellent resource for Remembrance Day and units dealing with Canadian combat and peace keeping.
