Surprising Words from the 1920's

Additionally, it argued that more people would be at home in January than in April. Few have experienced a greater case of this than have two words which began in the 1920s to describe political movements: Hitlerism 1925 and fascism 1921.

Candy From The 20's

The 1920 census, however, did not ask about unemployment on the day of the census, nor did it ask about service in the Union or Confederate army or navy. Once you link to another site you are subject to the policies of the new site. It begins a reassessment of an author seen hitherto mainly as a humorous writer.

Surprising Words from the 1920's

The cokehead likely existed before 1922, but it is in that year that we first see written evidence of the word. Timeline of the Roaring 20s. The act further ordered a census of agriculture and livestock in 1925, repeated every ten years thereafter, and strengthened for penalties for those who refused to supply information or who supplied false information.

1920 in literature

Jazzman began to be used in print in 1926, boogie-woogie dates from 1928, and the vibraphone which soon became widely used in jazz music was first so called in 1924. This symbol indicates a link to a non-government web site. The 1929 act provided for an automatic reapportionment by the last method used unless Congress moved proactively to prevent that from occurring.

Timeline of the Roaring 20s

The bill declared that the House of Representatives would be apportioned based on the results of the 1930 census. Individuals who wanted copies for genealogical or other purposes could also obtain them, so long as the information was not used to the detriment of the person to whom the information referred.

Timeline of the Roaring 20s

Ladies bobbed their hair and displayed a more liberated demeanor. Our linking to these sites does not constitute an endorsement of any products, services or the information found on them. The book's reputation dims in later years, but will recall that it was seen as innovative when it first appeared.
