MY MOTHERS HOUSE AMP SIDO BY COLETTE

Customer service is our top priority! In the stables a pair of good horses and a couple of cows ate their fill of hay and corn; butter was churned and cheeses manufactured in the outbuildings; but the bedrooms were icy and suggested neither love nor sweet sleep.

MY MOTHER HOUSE AND SIDO

Spine creases, wear to binding and pages from reading. Vividly alive, fond of cities, music, theater, and books, Sido devoted herself to her village, Saint-Saveur; to her garden, with its inhabitants and its animals; and, especially, to her children, particularly her youngest, whom she called Minet-Chéri. The book was published in multiple languages including English, consists of 248 pages and is available in Paperback format.

9780374528331

Light rubbing wear to cover, spine and page edges. But it has something else I've never found in any other Colette.

9780374528331

I ask you, did you ever hear such rubbish! Read Full Overview This tale of the famous author Colette's childhood is a beautiful word-picture tribute to her mother, Sido, and a glimpse into 19th century childhood in Burgundy, France. May contain limited notes, underlining or highlighting that does affect the text.

My Mother's House and Sido

And then ther Some books, like The Snarkout Boys and the Avocado of Death and Pippi in the South Seas, appeal to my childlike love of mischief and weirdos.
