Debates (Hansard) No. 140

Government Orders Telecommunications Act Mr. The government sees a headline, gets itself into an emergency and then tries to put something together without any thought. I do not know if the committee looked into some possibilities, but under the Income Tax Act and on the income tax form itself, Canadians have the opportunity to tick off whether or not they would agree to information on their returns being used by the Chief Electoral Officer in terms of updating electoral lists.

Music therapy

Brian Pallister Portage—Lisgar, CPC Hon.

Debates (Hansard) No. 140

I will note again that when it comes to the charity exemption, individual call lists are kept by the charities, et cetera.

Music Therapy

A music therapist may use sedative music to assist a person in achieving a deep state of relaxation in preparation for , childbirth, , or a transition to hospice care. The public did not call for royal recommendation to deprive them of their due.

Debates (Hansard) No. 140

The candidates, the ridings and so forth all tend to blend in on that one level. Rob Nicholson Niagara Falls, CPC Hon.

Music Therapy

Marcel Proulx Motion agreed to Telecommunications Act Hon.
