Steve Jobs Biography

Steve Jobs is truly a computer industry visionary. They would have five children together. Maybe it's an illness you were diagnosed with at an early age, a relationship wrought with turmoil, a series of career setbacks, a goal you worked for decades to achieve, or any other number of things.

James Carville

Many writers have described Michelangelo as the archetype of a brooding and difficult artist, and, although he was indeed hot-tempered, his character was much more complex than the sullen artist stereotype. There has been some speculation that Michelangelo might have been gay, but scholars cannot confirm his sexual preference. Carwile Died August 15, 2008 Serving During Operation Enduring Freedom 29, of Oxford, Va.
