Best Lighthouse of All Time

Fort Lemnox played an important role in the military history of Canada due to its strategic location along the Hudson-Champlain-Richelieu navigation route. Coteau-du-Lac's heritage value resides in the fact that it is the first lock canal in North America. Vincent Meredith Residence National Historic Site of Canada Montréal, Québec The H.

Canadian National Parks/Historic Sites Summaries (Québec)

The cathedral has suffered only minor changes, some of which include embellishment of the facade by Quebec architect Francois Baillargé.

Debates (Hansard) No. 145

Our lodging offers breakfast included each morning in an inviting solarium. This unit included two members of the RCAF, flying officers William H. An extra meal called luncheon had been created to fill the midday gap between breakfast and dinner, but as this new meal was very light, the long afternoon with no refreshment at all left people feeling faint with hunger.

ART and ARCHITECTURE, mainly: March 2010

HPI has received unanimous support from the Federation of Canadian Municipalities and the Caucus of Big City Mayors. A unique setting to discover at any time of the year, to the rhythm of the seasons.

Best Lighthouse of All Time

The de Salaberry house is representative of vernacular Montréal villas built in the early 19th century. Moreover, the structure was failing, and a ship disaster in the 1870s led to the decision to construct a new lighthouse in 1875. Fortifications of Québec National Historic Site commemorates the defence system developed between 1608 and 1871 in Québec, Canada's main stronghold during the colonial period.

Bas

The site now includes specialized gardens, winding paths, an allée royale and a variety of flower beds arranged in an informal manner. The next five years will require Parks Canada to address a myriad of conservation issues.

Pointe

Animal Welfare Stories like the horrific culling of sled dogs in 2001 shock and anger all of us, and yet our animal welfare laws are largely unchanged since 1892.
