Eugene Fodor feted as the spy who loved travel

Fodor was in the United States promoting his guidebook when he learned of the Munich pact. He was recruited by CIA precursors because of his language skills, doing prisoner interrogations and helping write leaflets dropped on the enemy during the Italian campaign. Instead, Scandinavians are turning towards single issue participation and 'small democracy' in the workplace or in public sector service institutions.

Scandinavia did experience its outbursts of radical thought, its assassinations and radical reforms, but these occurred within reasonably stable political structures, practices and ways of thinking.

Scandinavia

Finish the trip in Göteborg and Oslo, two of Scandinavia's prettiest coastal towns. My husband and I would like to visit Scandinavia countries next summer. No problem at all with language.

Fodor's began publishing this photo on the Fodor's book cover jackets in 1970. The study sheds light on the contrasts between the three countries on the one hand, and between Scandinavia, Canada and New Zealand on the other, showing that although there are obvious differences, for instance related to colonisation and present legal solutions, there are also shared experiences among the indigenous peoples and the States. It surveys the complex relationship between the belligerent great powers and Northern Europe's neutral small states in times of crisis and war.

Fodor's Canada 1986 (1986 edition)

Oh yeah, the women are all blonde and gorgeous. There is also a ski centre with real snow there where you could spend a day skiing.

Fodor's Scandinavia 1966 by Fodor, Eugene (editor) With Illustrations & Maps

It is an important contribution to the international history of the First World War, cultural-historically influenced approaches to diplomatic history and the growing area of neutrality studies. They provided on-the-ground advice on everything from tipping to train travel while encouraging tourists to mingle with the locals.
