Scribbles of Soul

In a nutshell, I liked the book, for its honest approach. But, can human race really survive without such saintly creatures, is a question that requires much pondering.

Palli Samaj By Sarat Chandra Chattopadhyay

Quiet a learning but the protagonist of this novel - Ramesh is a hero from the Art movies of Bollywood who sets to put his village - his hometown in place. His eventual successes at the cost of relationships lost makes this a must read for anyone interested in Indian literature. We know you are a human but unfortunately our system does not satisfy.

Palli Samaj

The kind man becomes the butt of cruel jokes and an out-caste, till he is able to prove his prowess, by constant sacrifice. It deals in depth with the corruption that infects the village, and Ramesh's efforts to remove it. Palli Samaj is such a sensational Bengali novel.

Palli Samaj

You have to be very open minded too.

Palli Samaj

The expertise with which Sharatchandra has captured this poisonous mindset in this novel is powerful, very powerful! May be even the people you love go against you, cheat you, harm you.
