Yuri!!! on Ice (OST)

Non mi lo sai, So cosa vuoi prima di te È ormai, E tu non puoi più far di me Aspettavo te, da tempo che quasi Non ci però non mi ero arreso
Stammi e ogni cosa vedrai Che col tutto si aggiusterà Domani, così come solo io E te in mondo ipocrita Che non ha domani Stammi e ogni cosa
vedrai Che col tutto arriverà Stammi e ogni cosa vedrai Col tutto si aggiusterà Non lo so dove andrò, Ancora no, Vado dove vai tu. To
accomodate them to live, the people build a house for them, later a neighbourhood, later a clan, and so on until a kingdom was born. Viktor
decides to hold a garden party.

Stammi Vicino Lyrics

Both hospitality on their respective kingdoms has only strengthen their relationship, and honestly, Viktor is happy. Viktor quickly spots the cousin of the Emperor on the back on his eyes, and it seems the said person also notices him. Who would have thought someone like Viktor Nikiforov would choose this song? Two lovers was separated by the gods because one of them was holy and the other was an ordinary ice spirit.

Yuri!!! on Ice (OST)

But the story does not end, for it is only just begin. It is not a crush, Viktor is sure. That way, the Easterners can wear their eccentric clothes without bother and their kingdom can still lowkeyly show them how much more cultured they are than them.

Stammi Vicino

E ti seguirò non Ho da fare più.

Stammi Vicino Lyrics

He is not tall but has a slender body. As a symbol to their strong friendship, the two kingdoms decide to give each other gifts.
