## Rights of women

Community-based projects engage seniors and address one or more of the program's five objectives: volunteering, mentoring, expanding awareness of elder abuse, social participation and capital assistance. Full OAS and GIS benefits may assist married seniors to approach the poverty line, but for single seniors, the benefits are well below the poverty line. Public Health leaders joining the group were invited based on their expertise in promoting health-protective behaviours and vaccination.

## Age & intersectionality

Corace is currently the President of the Canadian Psychological Association CPA.

## The Gender

She is an Associate Professor in the Department of Laboratory Medicine and Pathobiology at the University of Toronto. These agreements will enter into force once Canada and these countries have completed their respective legal processes. Figure adapted from Brown et al.

## The Gender

United Kingdom Life Transitions — Discussions at several roundtables stressed the importance of considering life transitions as triggers for social isolation e. David McKeown MDCM, MHSc, FRCPC Associate Chief Medical Officer of Health, Ontario Ministry of Health Adjunct Professor, Clinical Public Health Division, University of Toronto Dr.
