## **Collected Poems of Robert Service by Robert Service**

This expansive edition of the poetry of Robert Service includes his most beloved works, including *The Spell of the Yukon* and *Ballads of a Cheechako*, in one beautiful hardbound collection. His work just has great depth, beautiful word choice, and a devotion to the exploration of man and nature which stirs me to the core. Service's poems could very well have been labeled chicken soup for the soul, well before those series of books under the same title.

## **The Collected Poems of Robert Service (1940) hardcover book**

A book that has been read but is in good condition. A friend of his suggested that Service write something about the Yukon. Robert has been a good Service to me.

## **Collected Poems of Robert Service by Robert W. Service**

I carry this book with me wherever I go, wherever I travel.

## **Poems by Robert W. Service**

He heard the story of a prospector who cremated his partner one day, and his lyrical version of it ended up in a collection that he sent to his father. Best poetry compilation I've bought to date.
