Vol. 130, No. 4, Dec., 1964 of The Geographical Journal on JSTOR

Another dignitary who rode in that parade was Earl Grey, then governor general of Canada. An independent trapper and trader, Jasper Hawes came to the northwest from Missouri early in the last century, bringing with him his wife and a large family.

The streets of Canada: JASPER AVENUE

It was the Hudson's Bay that started the beginning of the end of Edmonton's great land boom by throwing six thousand lots on the market in the feverish lottery sale of 1912. Mike was the managing director of this company which since, through a series of mergers, has become part of CPA.

Edmonton trader, the story of John A. McDougall.

The streetcars have vanished and though a. The interior retains much of the feel of the original family home.

John A. McDougall

His present fame, of course, derives from the trophy that has become the symbol of Canadian football supremacy — the Grey Cup which for three years running, until 1957-58, was brought back by the Edmonton Eskimos and proudly displayed in a glass case in the lobby of the Macdonald Hotel. A terrible epidemic of smallpox swept across the country in 1870—71.

John A. McDougall

His request for further college training was denied, but he went back to Ontario none the less, and while he was there he married his cousin Elizabeth Boyd.

King of the Hill

An angry crowd unhitched his horses and removed the wheels from his wagon while the mayor mobilized five hundred armed men to make sure the land office stayed on Jasper. It spins no Hit Parade records, and though its disc jockeys are permitted to play jazz—rock 'n' roll, never!

Description: The Geographical Journal has been published since 1831, and was the Society's journal of report until the relaunch in 2000.

John A. McDougallJohn A. McDougall School

Thin jacket has wear at head of spine, chip to rear panel, good. There is satisfaction in knowing that when they needed it most, they may have found comfort and hope at Hilltop House.
