The Craft of Writing

Learning Your Craft From Books and Courses I learned how to play chess when I was 8 years old.

But never send an editor your first draft. Randy sez: There is such a thing as getting bad feedback too soon, and I recommend against it.

THE CRAFT OF WRITING

The pages you will link to from here will help you to hone the craft of writing. You may know some grammar nerds who can help you with spelling, punctuation, and sentence structure, too. Thanks Scott Randy sez: Good question, Scott.

How Do You Learn the Craft of Writing Fiction?

Just as a musician studies musical theory and a woodworker studies both wood and tools, writers study ways to improve their craft. Those readers and the critique group should be able to steer you in the right direction. Thanks, Debbie, for dropping in to TCW The Craft of Writing blog today.

The Craft of Writing

When I went back to school in the fall, I could beat every kid in the chess club. Or should you just start writing? I learned it from a neighbor kid, and he had very little clue on how to play well, which meant that neither did I.

The Craft of Writing

Your story will be so much better. You recommend deep POV when writing in third-person. I just started writing without any instruction at all.

Craft of Writing

Critique is essential, so find someone who can look at your work and give you a little guidance. Do you have any of these problems? His domestic and international workshops have been featured in numerous publications, including the Sun-Sentinel in South Florida, where he has led weekly critique groups for over nine years.
