**Taissumani, Nov. 23**

He was also able to report that local church members and communicants had increased in the community. I confess it was my intention, as well as that of the rest, to prolong my existence by the only means that seemed likely to occur—eating the flesh of any whose life might terminate before my own.

**Browse subject: Moravian Indians**

Some edges of the original were damaged and this also reduces readability of some of the text.
