The Samkhya

The last chapter recapitulates its thesis, summarizes its main points and makes conclusions. He is considered to be the first historically known teacher of Advaita Vedanta in our age and the founder of Advaita Vedanta Lineage, which later was made famous by his disciple Shankara — Āchārya.

Samkhya Pravachana Sutra

First, the child is weaned away from the mother at a proper time.

Sāṃkhya Sūtras & Aphorisms

The un-discrete is constant, field-like, pervasive, immutable, non-supporting, non-mergent, separable and independent of an agent.

The Samkhya

All orders will be processed as soon as possible. The Karika lists the sensory organs to be the eyes, ears, nose, tongue and skin, while action organs as those of voice, hands, feet, excretory organs and that of procreation. Special music is arranged for her.
