Recovering the Reading of Renaissance Englishwomen: Deployments of Autobiography on JSTOR

She was the only daughter of a wealthy landowner. The book may have minor markings which are not specifically mentioned. Margaret, Lady Hoby, is best known as the author of the earliest known diary written by a woman in English.

Women

This was, no doubt, partly due to his tireless pursuit of recusants and, certainly partly to his personality. It was common practice during this period for young men and women at all levels of society to learn their place in another household, preferably a household of higher standing, in the hope not only of learning but also of advancement and advantageous marriages.

Personal Narratives

Its purpose seems to be to monitor her spiritual life and although it mentions prayers, exercises and readings, she does not record the detail of what these were. Most items will be dispatched the same or the next working day.
