The Political History of Modern Iran: From Tribalism to Theocracy

Prior to the formation of the Islamic Republic of Iran, the country was ruled by the Shah monarch , Muhammad Reza Pahlavi, who was well-known for his secular attitudes.

Moving Forward in 2021: A Guide to Depolarizing America

As academics who both emigrated to the United States—from the Middle East and Eastern Europe, respectively—we do not lack the imagination for what could be in store if we fail to fortify American democracy against the corrosive forces of polarization. By the early 10th century, the Abbasids almost lost control to the growing Persian faction known as the 934—1062. .

The Political History of Modern Iran by Mehran Kamrava

They have sought to fight one another on Sunni-Shia lines not out of religious hatred but rather because they see sectarianism as a tool they can use — thus making that religious division much more violent and fraught. Please do not copy materials from this Web site to your Web site.

Iran v Saudi Arabia: Government & Ideology

Erekle II assumed control over Kartli after Teimuraz II's death, thus unifying the two as the , becoming the first Georgian ruler in three centuries to preside over a politically unified eastern Georgia, and due to the frantic turn of events in mainland Iran he would be able to remain de facto autonomous through the period. A truly revolutionary and anarchic situation gripped Iran. It now intends to establish an ideal and model society on the basis of Islamic norms.
