The Conference aims to be the game changer that will reverse the decline in the health of our ocean for people, planet and prosperity.

## Frizz/ Ellen Frances ; illustrated by Coral Tulloch

Their Western European counterparts stick to national languages and do not provide English translations. Claiming that the French government supported private interests to the detriment of the general interest, the collective turned to civil disobedience. It is proposed here that neo-liberalism should be seen as a form of social regulation, a set of arguments about social and personal conduct, something that rather than acting against state power and sovereignty, reinforces and rearticulates them.
