## Colonial India

It is said that Akbar played close attention to the design and construction of this city. The second document is a cartoon of the fictional character Tom Raw, a young British cadet who goes to India hoping to find success and glory. The way in which Buddhists venerate the stupa is by walking around it in a clockwise manner.

## Indian Paintings

The marriage, which was arranged by the parents in the proper Indian manner, was harmonious and successful. In the early 19th century, the territories of these princes accounted for two-thirds of India. The lingering models of Native American traditional painting as the embodiment of tourist-oriented stereotypes have begun to be displaced in recent years by the new artistic frontiers that Native American artists have embraced.
