The African American Church in Birmingham, Alabama, 1815

All the inhabitants decorated their houses with foliage and flowers. After the Civil War the Alabama Legislature of 1865-66 passed a law providing a state subsidy for railroads. This book outlines brighter times for Bristol, a bastion of the amateur era.

Bristol Bibliography (1)

A Christian should never marry a nonbeliever, and he urged persons to marry those of their own religious faith. Many of these pictures are rare and come from the author's private collection, which has been painstakingly built up over more than three decades.

The African American Church in Birmingham, Alabama, 1815

After obtaining freeddom, Afican Americans in Alabama and the South had hoped that the federal government would provide them with their own land. Roper, Churchwarden and Farmer of Hill Farm, Mr.
