Bahá'í Faith

Little wonder then, by 1844, eighteen men and women felt their hearts leading them like compasses to Shiraz and directly to the Bab.

Stories of Baha'i Martyrs

Main article: In , the is a messianic figure who is believed to be a descendant of who will return near the end of time to restore the world and the religion of God.

Origins of the Baha'i Faith

Each revelator reveals as much revelation as the faithful are ready to receive. The faith now has followers around the world. Found in the foothills of the Andes mountains, this House of Worship is extremely peaceful and serene, a perfect break from the hustle and bustle of daily life in Santiago.

History of the Bahá'í Faith

There does not have to be food, but there usually is. Shoghi Effendi was born in and was only a young man when his grandfather died and he became the leader of the Bahá'ís. There are no initiation ceremonies, no , and no.

Baha'i Religion

God's manifestation is understood in Baha'i to come not just through the Bab and Baha'u'llah, but also through the world's religious prophets, including Abraham, Moses, the Buddha, Krishna, and Muhammad. On May 9, 1892 Bahá'u'lláh contracted a slight fever which grew steadily over the following days, abated, and then finally took his life on May 29, 1892.
