### How to Encourage Employees to Report Workplace Injuries

A delay of greater than 84 days between injury onset and claim lodgement was statistically significantly associated with lower odds of working at interview, compared to claims that were lodged within seven days. Use the oral reports from the book assignments to discuss the mystique of the Supreme Court, its importance, and also its fallibility.

### Case studies

Davis, Arbitrary Justice: The Power of the American Prosecutor, New York: Oxford University Press, 2009. However, coverage of the courts can also expose unfairness in the system, either for victims or defendants, that the public may want to lobby its representatives to correct.

### How to Encourage Employees to Report Workplace Injuries

For Week 3, Class 2, have students choose from: Steve Bogira, Courtroom 302: A Year Behind the Scenes in an American Criminal Courthouse; Jon Bruschke, Free Press vs. Compensatory damages may also cover costs associated with a wrongful death.

### Workplace Safety

This is a summary only.

### Reporting work

Our writers and editors follow strict guidelines for written and visual content, including vetting all sources and verifying quotes and statistics, to guarantee honesty and integrity in our reporting.
