Man's Fate

This work focuses on the theme of modern Western civilization's obsession with the individual, an issue that Malraux addressed throughout his career.

Talk:André Malraux

The unit had twenty aircraft and a dozen French volunteer pilots. Hence the distinctly odd situation in which the concept of the musée imaginaire is cited quite frequently, while the theory of art that sustains it and gives it meaning languishes unread and undiscussed. The more typical route would have been to adhere to the rigid French schools system, from elite college to Grande école.

André Malraux

Around the same time, archaeologists were also in Cambodia doing the same thing, but with the blessing of the French government.

Man's Fate

Malraux found the only real salvation in tragic consciousness. Regresó a Francia pero volvió pronto a Saigón en enero de 1925 para fundar un periódico: L'Indochine, que desapareció al año siguiente a instancias de las autoridades coloniales. Because of this peculiar historical context, French existentialism became a dominant philosophical mode for artists and authors in the twentieth century.

Biografia de André Malraux

Andre Malraux The terrible thing about death is that it transforms life into destiny.

Biografia de André Malraux

If you would like to participate, please visit the project page, where you can join the and see a list of open tasks. Malraux also was France's minister of cultural affairs.
