Southern Ports Induction Portal

New to the online induction portal? New teachers who receive support and mentorship via NTIP will become the mentors for the next generation of new hires and ultimately of the students they will teach. Enter and space open menus and escape closes them as well.

The New Teacher Induction Program (NTIP)

E-mail Alerts: Southern Ports will require an email address to be assigned so you can receive automatic email alerts. The inclusion of these teachers as eligible to participate in any of the NTIP induction elements is designed to provide boards with flexibility to respond to local hiring realities and potentially to support new teachers for a greater length of time.

The New Teacher Induction Program (NTIP)

For example, newly hired LTO teachers with four month 80 day assignments would benefit from accessing the induction elements at the onset of their assignment.

Pillar Induction

To create your Southern Ports induction portal account, please provide the required personal information and business details. Some of our stoves feature double ovens that allow baking at two separate temperatures.

Southern Ports Induction Portal

. Aligning NTIP supports to evaluation thresholds is important to the success of new teachers. Participation in NTIP for newly hired Long Term Occasional LTO Teachers refers to the induction elements only.
