The authors trace the origins of this exploitation and provide a new understanding of the present-day struggles for occupational health and safety.

### **Ecobook**

By Pellow, David Naguib, and Park, Lisa Sun-Hee. The Silicon Valley of Dreams will be critical reading for students and scholars in ethnic studies, immigration, urban studies, gender studies, social movements, and the environment, as well as activists and policy-makers working to address the needs of workers, communities, and industry.
