### Shark Not Seen for Over 100 Years Rediscovered in 'Land of the Lost'

As per the data provided by the International Shark Attack File, 2,899 confirmed unprovoked shark attacks including 548 fatal attacks occurred across the world between 1958 and 2016. All in all I would highly recommend Marine Dynamics! Surfer Mick fanning had an incredibly close call with a shark in South Africa.

### Southern Africa's Most Endangered Shark Just Extended Its Range

Sharkbookings owner and staff are the greatest. Until recently, this has gone largely unrecorded.

### Shark Experiences

Thanks again Dave - you are a star! In Mozambique, for example, indicate that artisanal and subsistence fishers may be catching as much as three times the industrial sector, suggesting that total catches are being grossly underestimated. Discovery Channel While catching the animal using this method likely caused the shark pain, Galante said the conservation benefits outweigh the risks involved. So unless you happen to be looking right in that tiny little pocket, you'd never see one.

### White Shark Africa (Mossel Bay)

Bump-and-bite attack: Here, the shark circles the human victim and bumps the victim, often biting multiple times. Once out on the boat, we saw several copper sharks, but because the water was so murky the view was better from the boat than in the cage.
