In addition, the diminution of hydroxyproline of skin in both young and adult mice was observed. Conclusion: The particle repositioning maneuver was effective for most of the patients with benign paroxysmal positional vertigo and can be recommended as the first-line treatment modality. The total improvement rate was 87.

**[Neurophysiological characteristics of infants and young children with auditory neuropathy]**

Sun Quan eventually agreed to his subjects' suggestion. Lady Bu was known to be very accepting towards Sun Quan's other wives and she did not show any signs of jealousy towards them. They typically rip graphics and music from other games, and much of the time they end up being used in the wrong game, such as a remake of the Zelda theme being used as the battle theme for Saint Saiya - Time Warrior and their games are sometimes considered to be of low quality, with several notable exceptions such as Lei Dian Huang: Bi Ka Qiu Chuan Shuo a port of Pokemon Yellow which replicates most of the original game's gameplay elements with graphics and music taken from later Pokemon games.
