## Domestic violence against women: Recognize patterns, seek help

Dependency means that they have fewer options and few resources to help them cope with or change their spouse's behavior. Nonsubordination theory tackles the issue of domestic violence as a subset of the broader problem of because domestic violence victims are overwhelmingly female.

### What is Domestic Violence?

The standard applied in this subsection applies only to the determination of whether to prohibit a person from possessing a firearm or ammunition and does not apply to the issuance of the order pursuant to Chapter 4, Title 20. Victims usually feel a sense of and fear that would seriously affect ones' personal life, financially, physically and psychologically.

### Domestic Violence Support

A 2013 study showed that 40.

### Learn More

Intimate partner violence: Diagnosis and screening. Whether it is through overt acts of physical violence, or less easy to identify measures like emotional or financial abuse.
