There's no hocus pocus ; there are no easy fixes offered. This is a heartfelt, honest and straightforward introduction to the practice of journaling. Although Charles Brockden Brown January 17, 1771 — February 22, 1810 , an American novelist, historian, and editor of the Early National period, is generally regarded by scholars as the most ambitious and accomplished US novelist before James Fenimore Cooper.

As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public.

Jane Talbot

The use of Glasgow dialect draws you closer to the action and stitches you into the edges of the story itself; this leaves no 'out' for you as a reader, particularly when the action is extremely violent - you're 'hemmed in' just like the characters in the story. I can't get over how much I admire the first and A series of 70 letters which tell the touching love story of the title character, a young American widow, and Henry Colden, the only son of a wealthy but imperious sire who opposes their union. The ending is what you'd expect.

Jane Talbot (Author of The Faerie Thorn and other stories)

Another major character is Jane's adoptive mother who abhors Henry as an unbeliever and she supposes profligate who would ruin her daughter. Another major character is Jane's adoptive mother who abhors Henry as an unbeliever and she supposes profligate who would ruin her daughter. I especially enjoyed the relationship between the Glaswegian Virgin Mary and Elizabeth.
