Johann Wolfgang von Goethe

I knew many of his poems and some of his plays by heart and up to today, I find

comfort in rereading his work and nearly three hundred years later everything he wrote has still relevance.

Life Lessons from Goethe

There he met the artists Kaufmann and Tischbein, and also Christiane Vulpius 1765—1816 , with whom he held a rather scandalous love affair until their eventual marriage in 1806.

Goethe, Johann Wolfgang von

Despite his proximity to and considerable influence at the University of Jena, Goethe had little positive contact with Fichte 1762-1814 , who arrived there in 1794. All, all the wishes and the hopes of my life are fulfilled.

Goethe, Johann Wolfgang von

He also wrote some that are seen as beautiful, and that showed his promise as a writer.

Goethe

Any way you look at it, the plant is always only leaf, so inseparably joined with the future germ that one cannot think the one without the other. He had to organize road-building projects, and look after parks and buildings. In the year 1770, he went to Strasburg, to finish his juridical studies, but here anatomy and chemistry, , , and architecture - anything rather than the statute-book - occupied his mind and exercised his soul.

Goethe : Complete Poems of Goethe, full

In this context, the idea of acting takes on a deeper meaning. Of complications and solutions, of conflicts of the heart and conflicts in general, of

excitement and surprises there is virtually nothing. But ah, already at morning light My heart was crushed in parting: In your kisses what delight! The mule picks its way through the misted pass, And dragons in caves raise their ancient brood, And the cliffs are polished, smooth, by the flood; Do you know it well?
