Thomas Mann's ___ Kroger

I am looking into an unborn and shapeless world that longs to be called to life and order, I am looking into a throng of phantoms of human forms which beckon me to conjure them and set them free: some of them tragic, some of them ridiculous, and some that are both at once—and to these I am very devoted. I could see how well he portrayed character, atmosphere and personalities in his writing, but somehow it kept putting me to sleep. The narrative tone throughout is cold and ironic.

Tonio Kröger by Thomas Mann

Writing poetry should be undertaken by those who wish to do it. Nada más perfectamente burgués que el mundo nazi, la perfección en las formas, la alegría del deporte y el culto a la pureza. Obviously this can't really be Hans and Ingeborg because they are far too young, but are rather the personification of Tonio's ideal, normal man and woman.

TONIO KROGER THOMAS MANN

Well, yesterday I went with Julia the woman I live with at the moment in the Alte Donau sidewalk, which in Vienna where I live now is the Danube's old sidewalk.

Thomas Mann's in English translation: a comparison of the Lowe

There, cradled by the Danube's lullaby, I was reading this book.

Tonio Kröger

To Tonio, feelings are banal and trivial, the truly artistic is only to be found in 'die Gereiztheiten und kalten Ekstasen unseres verdorbenen, unseres artistischen Nervensystems' the excitations and cold-blooded ecstasies of the artist's corrupted nervous system. For the intermediate...

Description: Basil Blackwell, 1962-01-01. ¿Es posible que un aburrido y vulgar baile, que el lector percibe como decadente para los propios asistentes, sea capaz de convencer a un poeta de las maravillas de la vida burguesa? So, I think the life of ease is bourgeois.
