Takahashi also presented the game for an internal review, leading Namco to green light the game's full development. If players fail to reach this size in the time allotted, they are punished by the King.

Katamari Damacy

Tap My Katamari, a version for mobile devices with iOS or Android, was released in January 2016. Sony expressed strong interest in pushing the game's release forward based on the TGS response, offering to handle the game's promotion in exchange. In 2015, the game placed 13th on USgamer's The 15 Best Games Since 2000 list.

Katame

The Katame no Kata was developed at the Kodokan between 1884 and 1887 following the development of the Nage no Kata.

Katamari Damacy

A common complaint is that the game is relatively short and repetitive—it can be completed in under ten hours, and the gameplay stays virtually the same all the way through. Takahashi was again invited to come present the game at. Vice president of marketing for Namco Bandai Games America, Inc.
