I warmly commend this book to you. It is a must-read book for Christians who long to see revival happen in their lives, communities, and nations. That is the way of the kingdom.

### God's Generals: The Revivalists

Many will be blessed, helped, and changed by reading this splendid work. The Generals Who Shook Nations Roberts Liardon chronicles compelling spiritual biographies of some of the most powerful preachers ever to ignite the fires of revival. A great addition to any library! I've always thought that this started only with the Pentecostal movement so I was really excited by this.

### Who Are God's Generals and Why Have Some Failed?

Liardon continues to manage and expand his international headquarters in Sarasota, Florida, and his office in London, England. Bill Johnson, Author, When Heaven Invades Earth, Pastor, Bethel Church, Redding, California I highly respect Roberts Liardon for making the lives and battles of yet another set of Gods Generals available to this generation in a powerful and readable book.
