International serials catalogue / International Council of Scientific Unions Abstracting Board

The group is chaired by Dr Santiago Merino Rodriguez and Zhibin Zhang. The highest governing body of the ICSU is the general assembly, which consists of ICSU members and is convened once every two years. At that time, Biology was one discipline.

International Union of Biological Sciences (IUBS)

States Parties to the Outer Space Treaty are responsible for national space activities under Article VI of this Treaty, including the activities of governmental and non-governmental entities.

Dewan Internasional untuk Ilmu Pengetahuan

The purpose of the workshop was to start resolving the outstanding issues surrounding a set of principles for unified list creation and refine them for publication as the first stage in developing a conversation among the global community of taxonomists and the users of taxonomy. The origins of the International Social Science Council ISSC lie in the aftermath of the Second World War, an era marked by the expectation that the social sciences would contribute directly to solving social problems.

Chauvinism and Internationalism in Science: The International Research Council, 1919

Those were difficult days at UNESCO however, and it was hardly a place for a young Hungarian-American woman, full of energy and new ideas about how to change the world.
