India vs. Pakistan

It can correct its course properly towards development instead mindless and unachievable military competition with India, Pakistan can surely overtake Bangladesh pretty fast.

Difference Between Education System In India And Pakistan

As African nations gained independence in the late 20th century, they abolished the that had existed and instituted other reforms but, in general, kept the structure of the existing school systems, at least initially. India was always a sober friend with no ill-will against her neighbors.

What is the Difference between Bangladesh India vs Pakistan

Low wage dungeon is first stage of moving up value chain, not remaining stuck on it. Education is one of the critical variables of a state who gain it ready to ground. I am at the amazed the the growth of Bangladesh in the last decade.

Education System in Pakistan (2021 Research,Literacy,Issues)

In any democracy it is the people who lead the country in the direction they want to go, they have nobody but themselves to blame here.

Why Bangladesh overtook Pakistan

For nearly 1,500 years all education was church-related and hence church-controlled, except in the eastern part of the country where the Islamic population maintained Qur'anic schools.

Education

Religion card on the basis of which Two Nation theory was formulated had no role to play in case of 1971 Dhaka Fall. General education within the was divisible into primary, junior secondary, and senior secondary education.

Education in India, Pakistan and Bangladesh

At birth, East Pakistan had, in fact, no trained bureaucracy ---- EUREKA, Sir. One subtle point missed by everyone is the hidden implicit Indian support to Bangladesh.
