My pages To give you easy access to and the ability to manage your information such as contact information, order history, details of your orders, subscriptions etc.

### Gudrun Sjoden

Brunhild and Kriemhild each insist that they should be allowed to enter the church before the other. Under the pretext that he wants to protect Siegfried, Hagen convinces Kriemhild to reveal the only spot where impenetrable Siegfried may be wounded. Gudrun then cries out loudly, which

Brunhild answers with a loud laugh.
