Two dimensional optimization of smoothing properties of multistage schemes applied to hyperbolic equations

In 1883, the year after he published *Det nya riket* The New Kingdom, a withering satire on contemporary Sweden, Strindberg left Stockholm with his family and for six years moved restlessly about the Continent. Thank you for your understanding. This directive applies to all drugs, although it is most important for those with narrow therapeutic ranges such as lithium, cyclosporine, and aminoglycoside antibiotics.
