This causes a vicious cycle of skepticism that self-perpetuates.

**What's Being Read Here**

As usual, this review will take the form of a chapter-by-chapter summary and conclude with my thoughts and recommendation.

But that is not always the most effective way to argue.

**Book Review: Time for Truth: Living Free in A World of Lies, Hype, and Spin**

Needless to say, this book is highly recommended for all serious readers and those who are fascinated by politics and modern culture. It is a sin in our lives that pushes us towards false narratives and rationalizations.
