Disarmament Education: Peace Education as a New Literacy

To address it, the United Nations strengthens the capacity of Member States to implement the Biological Weapons Convention, and will establish a standing capacity to conduct investigations of alleged use of biological weapons.

Disarmament, demobilization and rearmament? The effects of disarmament in Afghanistan

So, as we consider how to improve our response to future disease threats, we should also devote serious attention to preventing the deliberate use of diseases as weapons. UNAI: What is peace education? All Member States have committed themselves to taking such an integrated approach.

Disarmament and Demobilisation After Civil Wars: Arms, Soldiers and the Termination of Armed Conflicts

The US Administration was originally reluctant to interfere in industry in this way, but relented to the growing congressional and public support for the measure, and so moved to.

Arms Control and Disarmament Agreements

Known as Women, disarmament, non-proliferation and arms control, the resolution is led by Trinidad and Tobago.

The economic effects of disarmament / by the Economist Intelligence Unit ; sponsored by the United W...

It is even more difficult to assess what is happening when policy makers are themselves unable to access detailed information about the effects of the programme that is so crucial to the current political process. These processes are, of course, interrelated; the Joint Economic Committee recently estimated the multiplier at 2. However, these phases should not be considered isolated or ordered in a chronological sequence.

Records of the U.S. Arms Control and Disarmament Agency [ACDA]

Apart from everything else, forethought would ease the anxiety voiced by many who still remember the chaos of 1918 and who know that we were only saved from a similar chaos in 1945 by an extraordinary pent-up consumer demand and a population explosion of rare dimensions.

Disarmament and Demobilisation After Civil Wars: Arms, Soldiers and the Termination of Armed Conflicts

Disarmament Disarmament is the first phase of DDR, and logically precedes demobilization and reintegration. One such sector is the armed services.
