## **Zachary Elliott's New Venture at Tampa Parish Is All the Buzz**

The ecclesiological reflection of the Second Vatican Council, together with the considerable social and cultural changes of recent decades, has resulted in various Particular Churches having to reorganise the manner in which the pastoral care of Parish communities are assigned.

### **The New Parish**

The gospel becomes so much more tangible and compelling when the local church is actually a part of the community, connected to the struggles of the people, and even the land itself. At th This was a helpful and relevant read as I'm thinking through what it looks like for our church to engage in our neighborhood.

### **New to the Parish: Observing the Syrian war 'is like watching your child dying'**

This book is a much-needed antidote to the endemic alienation of our time.

### **Parish History**

Kids raised in the generica of American suburbs are becoming adults who yearn deeply for a sense of place, for belonging, for community. The neighborhood is honored in this book.

### **New to the Parish: Observing the Syrian war 'is like watching your child dying'**

The underlying, foundational concepts here, together with the central theme of localization, make for prophetic reportage, and the result is as exciting as it is rife with hope.

### **Instruction pastoral conversion of the Parish community in the service of the evangelising mission of the of the Congregation for the Clergy**

That is a good and holy thing: we need to take seriously the call to love our neighbors as ourselves, and if we try to do that without attending to the

actual neighbors in the actual neighborhood we are missing something. Friesen have seen in cities, suburbs and small towns all over North America how powerful the gospel can be when it takes root in the context of a place, at the intersection of geography, demography, economy and culture.
