He threw it in a rage saying that it was no good. People from his tribe also accepted Islam and returned back.

### Etiquette with the Quran: Tibyan fi Adab Hamalat Quran By Nawawi

During the caliphate of Umar ibn Khattab, Umar told Amr to give him his sword. But when I saw that he had come down to give you glad tidings, I was relieved and regained my consciousness. .

Suddenly he looked towards the sky and turned pale because of terror. When the voice will come out from that side which is towards the earth all living beings on it shall die, and when the voice will come out from that side which is towards the sky all living being in it shall also die. You asked for my sword, not my hands.

It is also narrated that in the Bani Israil there was a pious worshipper who had taken upon himself the obligation to fulfill the wishes of others. As good fortune would have it, Arabic was the only class that fit in his schedule at the time, thus starting him off on what eventually would become a serious and personal study of the Quran and Islam. Verily Qayamat is full of fright and terror, so much so that even the dead tremble in their graves.

Allah will then command him to blow the trumpet again, he shall do so and all dead will arise.
