NITA

After the initial passage of the House and Senate bills, one might have expected that a House-Senate Conference would fix the incongruities in the mashed-up Senate bill. I thank Bradford Clark, Daniel Coquillette, Susan Davies, Jack Goldsmith, Tara Grove, William Kelley, Gillian Metzger, Martha Minow, Henry Monaghan, Frederick Schauer, and Adrian Vermeule for their thoughtful comments.

Statutory Interpretation

Johnson and now being edited by Ronald E. Documents typically include bill versions, House and Senate reports, congressional hearings, the full text of a public law, and more related documents. NOTE: Subject-specific legislative histories may only be available in their corresponding HeinOnline collections.

Statutory Construction: Legislative Intent and the Presumptions Used to Interpret Statutes

Additionally, there is a need to compromise with or cater to special interest groups. Archibald Cox, Judge Learned Hand and the Interpretation of Statutes, 60 Harv.

NITA

Certainly, human beings routinely attribute intentions to multimember institutions such as sports teams, businesses, and armies. A court not only presumes that a statute is constitutional, if a person claims that a statute is not constitutional, the court requires that person to. What inherent powers does a court have to fix statutory problems on its own account? His primary interests include legislation, focusing on statutory interpretation, legal education, real estate and contract law.

Statutory Construction: Legislative Intent and the Presumptions Used to Interpret Statutes

For an excellent account of these difficulties, see Abbe R.

Statutory Construction: Legislative Intent and the Presumptions Used to Interpret Statutes

First, to keep the narrative manageable, this Essay tells the story of statutory interpretation at Harvard mainly through judges who went here and professors who taught here.

Statutory Interpretation

The language is the most important part of a statute. See this article, written by Professor Karl Llewellyn, to view a list of some of the canons used. Frickey, *The Supreme Court, 1993 Term—Foreword: Law as Equilibrium*, 108 Harv.
