## Do I Have Anxiety? 1 Minute Anxiety Quiz

Nurse Marty is monitoring a client for adverse reactions to Dantrium. Chemical and metabolic testing of the blood can indicate some muscle disorders, protein or fat-related disorders that affect the brain and inborn errors of metabolism. Discovering whether you are suffering from one or more of these symptoms could be an important step towards getting the help you need.

## Portable Appliance Testing (PAT) Quiz

A computer processes the information and displays it on a video monitor or on film. There are 24 total questions.
