REVOLUTIONARY CONCORD

Well done and great finish to a brilliant book series! Book one and two I remember vividly, but this final one? National Archives Documents Available on Fold3.

Revolutionary War

Frustrated by her present circumstances and impatient with the few opportunities ahead of her, Deborah signs onto the Continental Army as Robert Shurtliff.

Revolutionary War Service Records • FamilySearch

Or does Alex ultimately claim her heart? The total number of the former provided by quotas from the states throughout the conflict was 231,771 men, and the militias totaled 164,087. I was satisfied with how everything turned out. Lots of characters die - as with most dystopian stories; but there were truly profound conversations and relationships.

Revolutionary Spaces

For the sake of the book, I accepted it but it was unbelievable to me. Right on through to how much camp work needed to be done and how little fighting there was at that point in the war.
