## H. Guyford Stever Papers

A small, but interesting cache of material documents student protests and demonstrations at other universities. Air Force Academy; military production programs; departmental reorganization; procurement methods and operations; and the development and utilization of aircraft and aircraft facilities, 1946-54. There is no mention of this in the 120 photo captions any researcher looking for tank squadron material will therefore be disappointed.

## Exploded views: early cinema and the spectacular logic of the explosion

Where we base those tanks is still yet to be decided as there are a number of issues to be worked through. Finally, researchers will not find any but routine material related to Stever's continuing work on the boards of directors of T. Events were used to illustrate the ways in which issues arose, not primarily for their own sake or as proof for the assertions of a particular group.

## H. Guyford Stever Papers

Individuals enjoy freedom in so far as the guarantees are built into the laws that protect individual rights.

## Foreign Relations 1964

Records of the Office of the Secretary of the Army, RG 335.

## H. Guyford Stever Papers

Records of the Security Office, including indexex to formerly classified and secret correspondence, 1943-45. For a start, one would expect any decision re simulators would be dependent on Unit Establish Reviews UERs which, I believe, have not yet all been undertaken protected mobility role, cavalry scout, or combination? The normative context should not, however, disqualify such issues for the attention of university scholars. He considers this to provide really the only chance for defeat.

### **Exploded views: early cinema and the spectacular logic of the explosion**

The RAAC family can be assured that concerns about LAND 400 are being represented as fully and forcibly as needed. North Viet-Nam might make a favorable movement. Also this assumption is based on direct conversation with the Soviets.
