It is estimated that the average amount of refined sugar consumed by those who follow a typical western diet is a whopping 125 pounds per year! I automatically tack on about 25 IQ points to the speaker.

What Does the Bible Say About Our Speech?

A slow metabolism makes it hard for the body to perform its daily functions, and without adequate carbohydrate intake it will turn to consuming its own muscle for energy, which slows down the metabolism even further, as the more muscle you have, the more calories you burn.

Actions Speak Louder Than Words Quotes (74 quotes)

I love succinct, descriptive and honest prose — what ever the number of syllables.

Why is physical activity so important for health and wellbeing?

Effectiveness is about doing the right things.

Why Talking is Important

You do not refuse a panhandler with the same words you would use to refuse a second helping of mashed potatoes at a formal dinner.

Why is Nutrition Important? The Benefits of Eating Healthy

I hope you don't run away. For the language, slang is like a linguistic laboratory, where new words and forms can be tested out, applied to a variety of situations, and then either abandoned or incorporated into the regular language.
