He asked him to mobilize the most powerful potentate of the times, Pepin, King of the Franks.

A History of Christianity: The First Three Thousand Years by Diarmaid MacCulloch

God tells us not to go back to the Old Testament Law and require people to follow it. Especially significant is the fact that the rights claimed by the popes under the Donation of Constantine, over all islands, are here asserted, not so much as justifying the grant of Ireland to Henry, but as entitling the papal see to claim those rights for itself. A New World was added to the old one, already under the triple crown.

Religion in African American History

Her performance not only catapulted West African spirituality into the mainstream spotlight, but her album and subsequent performances highlighted the diversity, complexity, and layers of faith of traditional Yoruba religion. Formed in the 15th century from some of the former regions of the Mali Empire, this West African kingdom was larger than Western Europe and comprised parts of a dozen modern day nations.
