And yet they are alive, and perform all the functions of life.

## Metempsychosis, First Edition

He bases his work upon the theory that the best and only true test for the presence of life in matter is the response of matter to external stimulus. This Creative Will is the inner moving power, urge and pressure behind all forms and shapes of Life. There is life at work in the growth of the crystal.

## Reincarnation the Eternal Cosmic Law — John H. Manas

He states that the Polycystids have a most peculiar manner of moving—a sort of sliding motion, to the right or left, upward, backward, sideways, stopping and starting, fast or slow, as it wills. But there is no such necessity, or compulsion, in the case of the question of Creation from Nothingness.

**Life's Riddle Solved Through the Law of Metempsychosis 1944 : Manas, John H: metrics.learnindialearn.in.au: Books**

Laughed down and considered defeated by the leading scientific minds of a generation ago, he still pluckily kept at work, and his recent books were like bombshells in the orthodox scientific camp. And yet all are but centers of Being in the One Life—all but a part of the great Universal Life, which itself is but an emanation of The Absolute.

## The Will's Harmonic Motion: Existence Riddle Solved Fifth Edition, Brand New,...

He feels within himself the certainty of infinite Life and being, for his Life is the all Life, and that cannot die.
