## Zheng Gu bei ti ji

As to all the obstinately stupid and calumniating talkers, who are found not to be doing what is right, are there not the target to exhibit their true character, the scourge to make them recollect, and the book of remembrance? Who will then dare not to cultivate a humble virtue? Environmental and heritable factors in the causation of cancer--analyses of cohorts of twins from Sweden, Denmark, and Finland.

## Xu Huang

We also found suggestive evidence for three additional loci associated with CRC risk near genome-wide significance at 8q24.

## Zheng Ba Shi Ji

I urged them further to exchange what they had for what they had not, and to dispose of their accumulated stores. After about six months of stalemate since the beginning of 222, Sun Quan's forces, led by , suddenly launched a counterattack, burnt down several Shu camps in a fire attack, and forced the remaining Shu forces to retreat. Shi was included in Most Influential People of 2020.
